FINAL STATEMENT OF VOTES
NOVEMBER 8, 1994 CONSOLIDATED GENERAL ELECTION
PREFACE

Following is the Final Statement of Votes cast in the November 8, 1994 Consolidated General Election in San Francisco. There are two lines for each precinct. The first line is the number of absentee votes and the second line is the number of polling place votes. In order to determine the total turnout for a precinct, you must add the absentee and precinct votes together. Then you can compare that number of votes cast with the number of registered voters in the precinct to determine the percentage turnout for the precinct. The absentee votes listed by precinct are the 36,730 that were counted first on election night. These were ballots that were received prior to election day.

There are also six lines summarizing the unsorted ballots:

Ballot Type 1 (12th AD, 8th SD, 8th CD),
Ballot Type 2 (12th AD, 8th SD, 12th CD),
Ballot Type 3 (12th AD, 8th SD, 8th CD, 8th BART),
Ballot Type 4 (12th AD, 8th SD, 12th CD, 8th BART),
Ballot Type 5 (13th AD, 8th CD),
Ballot Type 6 (13th AD, 8th CD, 8th BART)

These are primarily absentee ballots which were turned in at polling places on election day and counted after all of the precinct ballots on election night. These numbers include the provisional ballots which were reviewed after the election and determined to be eligible. In San Francisco, the majority of provisional ballots are voters who requested an absentee ballot but did not receive it or for other reasons decided to vote at their polling place. These ballots were sorted according to ballot type (district) but not sorted into precincts before counting.

Note that there is a number (7, 8 or 9) next to each precinct number that indicates the BART district for that precinct.

There are six mail-ballot precincts in this election: 2101, 3101, 3142, 3199, 3414 and 3899. These precincts have no polling place; all voters received ballots in the mail.

Included in this document is a Summary Report, which follows the Statement of Votes. Also included is a list of polling places, a list of precincts by neighborhoods and political districts, and a report of voter registration and turnout for previous elections.

For additional information regarding election results, and for copies of this report on diskette, please contact Gregory Ridenour, Administrative Manager, at (415) 554-4382.

Thank you for your interest in our election. We hope that this document is helpful to you. If you have any suggestions for improving our format for future elections, please let us know.
